- **Laboratory**
  - Lab meets twice a week. First Lab meets February 11 OR 12, 2013.
  - Report to lab promptly each week in order to hear lab instruction presentation by TA.
  - Previous week lab reports are due when you enter lab, unless instructed otherwise.
  - Labs and make-up labs can only be done during the week scheduled.
  - Missed labs CANNOT be made up and will be either EXCUSED or UNEXCUSED.
    - No score will be recorded for an EXCUSED LAB.
    - A score of zero (0) will be recorded for an UNEXCUSED LAB (AND Pre-Lab).
    - An EXCUSED LAB requires a note from parent or doctor to be given to TA.
  - Lab is an inseparable part of chem120. Lab grade is part of your chem120 grade.
  - Your lowest lab score will be dropped.
  - **IMPORTANT** - Each Unexcused missed lab will lower your lab score. An excessive number of missed labs (excused OR unexcused) will result in an incomplete grade for chem120.

- **Safety Training for Laboratory**
  - Not required if completed in chem115. See TA if NOT completed in chem115.

- **Quizzes – In Lecture (PRS)**
  - There will be 0-4 quizzes per lecture and **PRS device REQUIRED FOR CREDIT.**
  - Quizzes will be a problem working session - Bring pen/pencil, PRS 'clicker' and calculator.
  - Quiz score is 5% of grade - A total of forty (40) points TOTAL for the whole semester.
  - No make-ups & no credit earned if absent OR if PRS response device ('clicker") doesn’t work.
  - Answer ONLY with your own 'clicker'. Do NOT answer with more than one 'clicker'.
  - Answering with more than one 'clicker' constitutes a breach of academic ethics and will result in a zero Quiz Score.
• Workshops
  - Workshops will be the first hour of the second lab period of each week:
    - Section 020L  W, from 12:20-1:20 pm in _______________________
    - Section 021L  R, from 12:30-1:30 pm in _______________________
    - Section 022L  W, from 3:35-4:35 pm in _______________________
  - Workshops will begin February 13 OR 14, 2013
  - A total of forty (40) points TOTAL for the whole semester are possible.
  - No Workshop sessions will be held on weeks when exams are given.
  - NO MAKEUP OR EXCUSED ABSENCES.
  - DATES: See Schedule below

• eHomework - Sapling™
  1. Go to http://saplinglearning.com
  2a. If you already have a Sapling Learning account, log in then skip to step 3.
  2b. If you have Facebook account, you can use it to quickly create a SaplingLearning account. Click the blue button with the Facebook symbol on it (just to the left of the username field). The form will auto-fill with information from your Facebook account (you may need to log into Facebook in the popup window first). Choose a password and timezone, accept the site policy agreement, and click "Create my new account". You can then skip to step 3.
  2c. Otherwise, click "create account". Supply the requested information and click "Create my new account". Check your email (and spam filter) for a message from Sapling Learning and click on the link provided in that email.
  3. Find your course in the list (you may need to expand the subject and term categories) and click the link.
  4. Select a payment option and follow the remaining instructions.

Once you have registered and enrolled, you can log in at any time to complete or review your homework assignments. During sign up - and throughout the term - if you have any technical problems or grading issues, send an email to support@saplinglearning.com explaining the issue. The Sapling support team is almost always more able (and faster) to resolve issues than your instructor.

• Language Dictionary Use During Exams
  The University's policy is that a language barrier does not constitute a "special needs/learning disability" case, so students in this situation are not referred to the DSS Office. The chem103 policy for language dictionary use on exams will be to approve INSPECTED PAPER language dictionaries. ELECTRONIC language dictionaries will NOT be allowed at any time.

• Exam Regrading
  • Exams for regrading must be received by the professor before the subsequent exam.
  • An exam regrade will constitute a complete regrade of the ENTIRE exam by the professor. Your exam score might increase OR decrease after regrading.
• Exams

  • Three (3) in-class exams of 120 points each will be given.
  • No make-up exams (Final exam score will replace exam(s) missed for ANY reason).
  • Exams Cover: textbook, lecture, laboratory, PRS and Lecture Manual material.
  • Exam corrections must be made prior to the next exam date.
  • Final Exam will be cumulative over all course material.
  • You will need ONLY a pen/pencil and non-programmable calculator at your desk for an exam.
  • Everything except a pen/pencil and a non-programmable calculator must go to the front of the exam room prior to the start of the exam.
  • "Everything else" includes but is not limited to: book bags, clothing, cell phones & other electronic devices, books, notebooks, scratch paper, water & beverage bottles, etc.
  • Possessing items during an exam OTHER THAN a pen/pencil and a non-programmable calculator constitutes a breach of academic ethics and will result in a zero score for the exam in question.
  • The final exam must be taken on the date scheduled by the University or on a later make-up date. The makeup exam date(s) will be announced after the start of the semester.
  • A MISSED FINAL EXAM will result in a grade of "INCOMPLETE" for ALL OF chem120S13.
  • Makeup Final Exams given by Reservation ONLY in early, September, 2013.
    Contact Prof. Wingrave.

• Grading Schedule for CHEM120
